THE EASY WAY TO PAY YOUR INSURANCE PREMIUM ONLINE

With our online payment system at ArrowheadExchange.com, your monthly Insurance premium is electronically transferred from your bank account each month. Your payment will appear as an auto Insurance deduction on your monthly bank statement. You will continue to receive monthly billing statements showing the amount and date each installment will be automatically deducted from your checking account. If you make a change to your policy that affects your premium, we will automatically update your billing statement to reflect the change.

To start making your payments online via ArrowheadExchange.com, please follow these simple steps:

1. Write a check for the amount shown as due on the enclosed billing statement.
2. Complete the authorization form below.
3. Mail your payment and include:
 - Your check with the return section of the billing statement
 - Completed authorization form (below)
 - A voided check (This allows us to verify your bank information and account number. If this is not included, your request cannot be completed.)
