

Did you transmit an application to Reliant General Insurance Services in error?

Use this form to request the voiding of an application that was transmitted/uploaded in error. Must be completed, signed and faxed to Reliant General Insurance Services **within 24 hours of transmission.**

If the application was transmitted **more than 24 hours ago**, a signed cancellation request must be submitted to Reliant General (no voiding - no exceptions). The policy will be cancelled pro-rata on the date of the request, and all fees will be fully earned.

Complete and upload to the policy or fax to: (858) 592-0992
