1

Choose the payment method that the customer would like to use to make this payment.

2

Click “continue.”

After you click continue the payment will process. You will then see a pop-up with a link. Click this link - it is the confirmation that the payment was successful.

Please continue to see the second option for making a payment.

1

The customer will go to <https://www.aspiregeneral.com> and click "Make a Payment" in the upper right-hand corner.

The screenshot shows the 'Login to Your Account' page. On the left, a sidebar menu contains links for LOGIN, QUICK PAY, REGISTER, and FORGOT INFO?. A green circle with the number '2' highlights the QUICK PAY link. The main content area has a 'Username' field, a 'Password' field, and a 'Remember Me' checkbox. A green circle with the number '1' highlights the 'LOGIN' button. Below the login button is a 'LOGIN WITHOUT A PASSWORD' button. At the bottom, there are links for 'Need an account? Register', 'Forgot Username?', and 'Forgot Password?'.

1

The customer will have a couple options to make a payment. The first will be to log-in. The customer can log-in with their username and password and then follow a similar process outlined in the first part of this guide.

2

The second option is to select “Quick Pay”

1

The customer can log-in using their policy number and zip code OR their phone number and zip code.

2

The customer will click "Login" and then can make their payment following a similar process outlined in the first part of this guide.

3

If the customer does not have an account they can click "Register" and create one.
